

External Examination Grievance Redressal System

Marks Verification/Revaluation/Photocopy Process

- The Yashwantrao Chavan College of Science, Karad is affiliated with Shivaji University, Kolhapur. Therefore, as per norms given by the university, the examination marks verification, revaluation, and photocopy are under the control of Shivaji University, Kolhapur, and it is completely online.
- Shivaji University, Kolhapur is providing Grievance Portal for the students of Colleges/Departments affiliated to the University through Examination Department. Now students can lodge complaints regarding various matters related to examination department in the prescribed manner. These mainly include errors in student examination work such as (marks (verification/revaluation/photocopy), pending proceedings in accordance with the filed application, etc.
- To avail the said service, students should first register through the given procedure and register subject-wise complaint with detailed information and by uploading necessary documents. After registration, the concerned examination department will know the current status of the complaint and take appropriate action. Students can track the flow of grievance through his login. In addition, for more information student can contact to concerned department on given phone number.
- This portal has been created to enable students to file their grievances online through mobile phones or computers. Now the students can do things like registration of complaint, know the current status of the complaint and so on from home without visiting university office.
- Scan QR codes for more information and online application.
