NAAC Awareness Programme - Activity Report

Name of Department: Chemistry	Date of activity : 04/09/2021

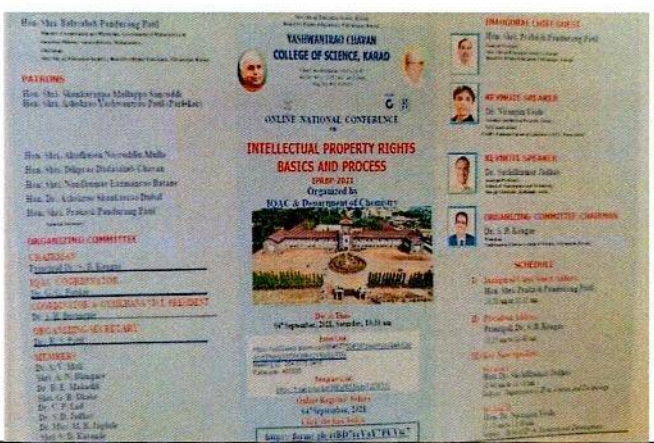

Name of the capability enhancement scheme : Skill development

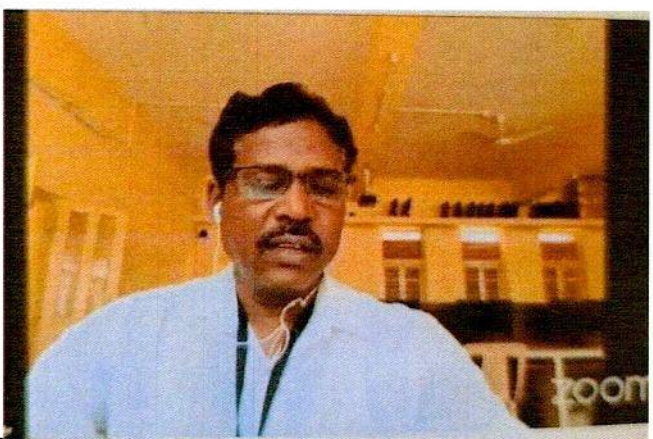

Guest: Dr. Niranjan Yeole, *Scientist, Intellectual Property Group, NCL Innovations, CSIRs, National Chemical Laboratory (NCL), Pune.*

Dr. Sushilkumar A. Jadhav, *School of Nanoscience & Technology, Shivaji University, Kolhapur.*

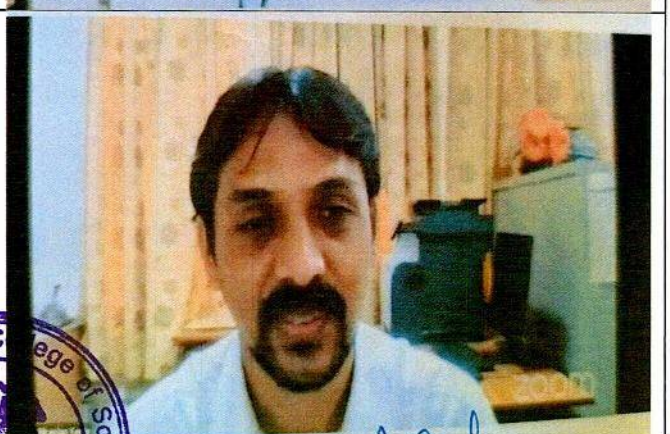

Name of the topic: Online *National E Conference on "Intellectual Property Rights- Basics & Process". (IPRBP-2021)*

Purpose :	**1. To bring together people with common interests and discuss issues and ideas relating to a specific topic.** **2. To facilitate learning, sharing and inspiration to participants which give people the ability to spark new ideas.** **3. To provide a platform to learn about the latest research, trends and developments in chemistry.** **4. To develop and polish communication skills, which builds confidence as a researcher.**
No. of beneficiaries :	**607**
Class involved :	**Online Mode**
Outcome/ success achieved :	**1. Students aware for Intellectual Property Rights- Basics & Process.** **2. Students got some ideas how Intellectual Property Rights can help to provide certain exclusive rights to investors or creators of that property, in order to to ebable them to reap commrercial benefits from their creative efforts or reputation.**

Subject- Invitation as a speaker for National E Conference

With respect to the subject mentioned above we invite you in **"Online National E Conference on Intellectual Property Rights- Basics & Process" (IPRBP-2021)** as a speaker, which will be held on 4th September 2021 at 09.00 am in Yashwantrao Chavan college of Science, Karad, Satara (Maharashtra) via online mode. We welcome you to join us and share your knowledge and the views on advance theme of chemical sciences.

We believe this conference will be highly rewarding educational and networking experience to all.

I once again request you herewith to accept our invitation.

Thanking you,

Yours faithfully,

Inaugural Chief Guest Address

In the Presidential address Hon. Shri. Prakash Patil (Bapu), General Secretary, Shri Shivaji Education Society, Board for Higher Education, Karad welcomed the gathering and announced the auspicious opening of the webinar. He said "This College has got a different reputation. The college has achieved success in many areas. Hon. Late. Yashwantrao Chavan's contribution in the social, educational and literary fields is immense. He opened the doors of education in very adverse conditions. Many students have completed their education from this institute established by him and have achieved great success. Our college is the first ISO College in Western Maharashtra. The topic of the webinar is a burning issue of the world that is interrelated. Science plays an important role in on Chemistry Research & Competencies

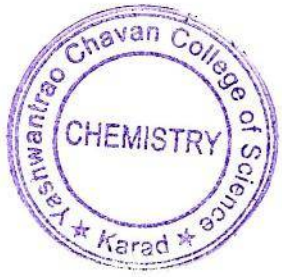

President and coordinators Address

The Inaugural session began at 10:00 am, as announced.At the beginning of the program, the coordinator of the webinar, Dr. S.H. Burungale welcomed the dignitaries, guests and participants . He explained thepurpose of the webinar.

The Principal of the college, Dr. S. B. Mr. Kengar gave a welcome andintroductory speech and reviewed the academic achievements and various activities ofthe college.

Keynote Speaker: Session I

Hon. Dr. Sushilkumar Jadhav

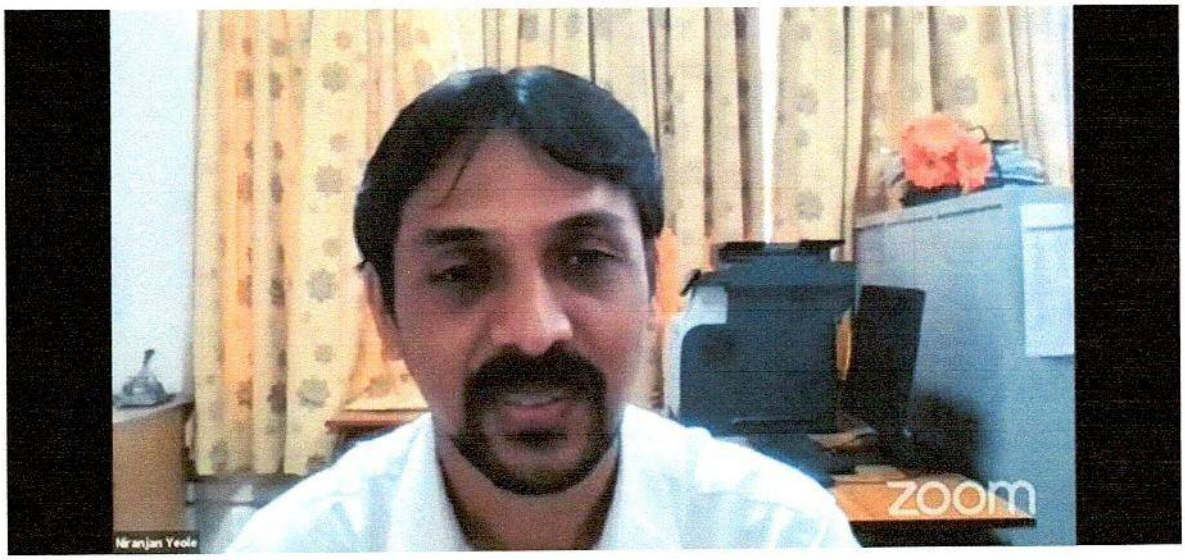

Subject: Importance of IP in science and Technology

In the first session of this International webinar, Dr. Sushilkumar A. Jadhav Assist. Prof. School of Nanoscience & Technology Shivaji University Kolhapur, India gave a detailed lecture on How to File a patent? Basic Information and tips.

Select your topic carefully; Choose sources that will be helpful and make sure they are reliable Index cards should be used to jot down helpful notes that you may need throughout the process or writing Your notes should be organized based on the topic it is under Have an outline that is well thought of Write a first draft so you have a skeleton of what your patent, Go through your first draft, read it thoroughly and re-write, Edit when it is needed

CHEMISTRY

Keynote Speaker: Session II

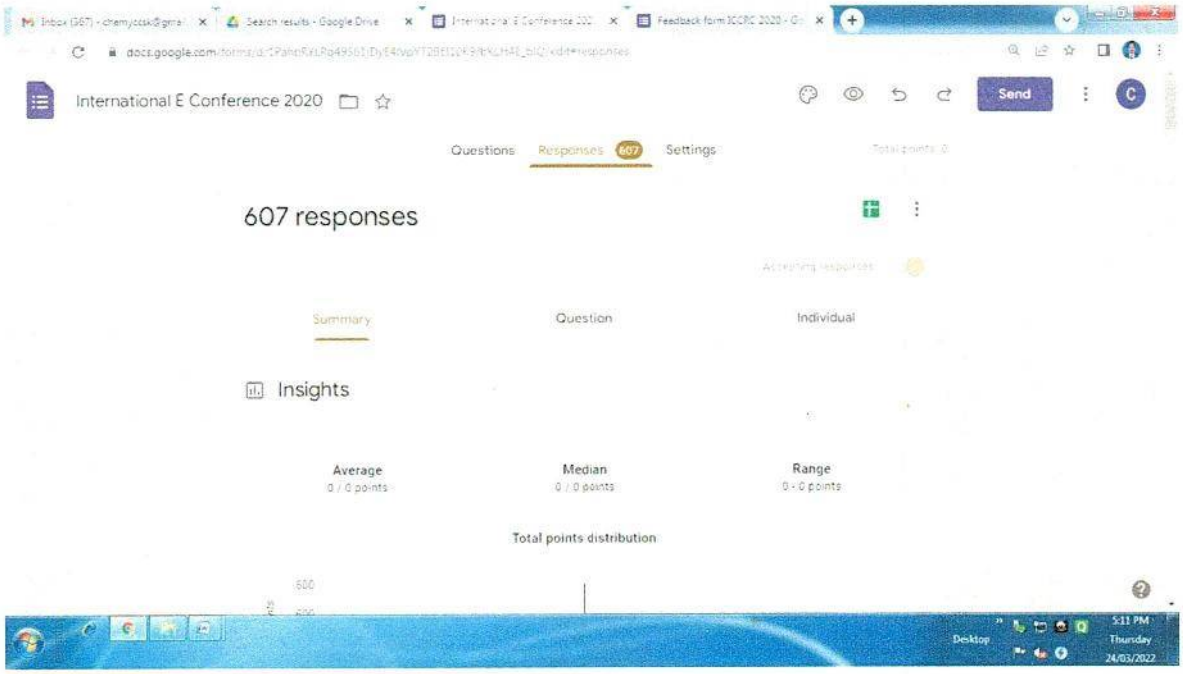

Hon. Dr. Niranjan Yeole

Subject: Role of IP in Research and Development

He said when filing a patent the combining physics and chemistry is very important in the field of Material Engineering, pharmaceutical materials chemistry, biomimetic chemistry, chemical syntheses, characterization and processing of novel materials, Nano chemistry, applied materials chemistry, super conducting concepts, polymer chemistry, inorganic materials chemistry, organic materials chemistry, analytical materials chemistry, physical materials chemistry and other basic principles involved in filing a patent.

Purpose :	1. To aware students about Indian Nuclear Energy Programme. 2. To aware students about benefits of Radiations in day to day life. 3. To bring together people with common interests and discuss issues and ideas relating to importance of Nuclear Energy. 4. To aware students about research takes place at BARC and career opportunities at BARC.
No. of beneficiaries :	200
Class involved :	B.Sc. III, M.Sc. I & II
Outcome/ success achieved :	1. Students aware for Indian Nuclear Energy Programme and beneficial effects of nuclear energy. 2. Students got some ideas how nuclear energy can be a green source of energy which can help in sustainable development.

Respected Sir,

With reference to above subject, we are organizing One Day Workshop on **"Beneficial Effects of Radiation & Indian Nuclear Energy Programme" (IARP-2021)** for B.Sc. III students on 27th November 2021 at 09.00 am on the behalf of Department of Chemistry of Yashwantrao Chavan College of Science, Karad. In this regard, we are happy to invite you as Chief Guest for programme and you will give the valuable guidance to our faculty and students through this programme.

I once again request you herewith to accept our invitation.

Thanking you,

Yours faithfully,

Subject: Letter of Appreciation

Respected Sir,

We are very much thankful for delivering lecture in guest lecture in One Day Workshop on **"Beneficial Effects of Radiation & Indian Nuclear Energy Programme" (IARP-2021)** for B.Sc. III students on 27th November 2021. The lecture is very nice for our students and us.

We are very grateful for acceptance of our invitation and enlightening the occasion with excellent talk & presentation.

Thanks a lot.

Beneficial Effects of Radiation Technology and Indian Nuclear Energy Programme

This workshop was arranged on 27th November 2021. For this workshop 206 students and teachers were participated from our college nearby colleges. This workshop was helpful to our students and they got knowledge regarding Nuclear energy and its benefits. And students aware with Indian Nuclear Energy Programme.

Principal gives information regarding college and institution and welcome speech was given by Dr. S.H. Burungale. Function by inaugauted by lightening the lamp by Hon. Prakash Patil, General Secretary, Dr. S. Murali, Principal Dr. S.B.Kengar and other delegates. Introductory speech was given by Dr. S. Murali on Introduction of IARP activities, Workshop.

Smt. Ruali Karpe explains Radiation Quantities, Units and effects in simple manner. Shri Tej Ram Meena delivered talk on Principle of Radiation Detection. Shri Sanjay Patil delivered talk on Radiation Protection and Monitoring. Dr. S. Murali emphasis on Nuclear Energy Programme, Application of Radiation Technology and Beneficial Effects of Radiation Technology. Practicals Demonstrations on A: Gamma Spectroscopy, B: Half Life, Activity Estimation, C: Radiation Monitoring Kits, Personnel Protective Gears, D: Video, Models – Radiation / Reactor Aspects of Safety Features were demonstrated by all scientists of BARC. And finally a special lecture on Scientific Career Opportunities was given by Dr. K. P. Muthe.

After completion of all the lectures and practical demonstrations programme was ended by valedictory function.

NAAC Awareness Programme - Activity Report

Name of Department: Chemistry	Date of activity: 10/12/02021

Name of the capability enhancement scheme : Skill development

Guest: Dr. S. B. Kengar, *Principal, Yashwantrao Chavan College of Science, Karad.*

Name of the topic: Celebration of "*Noble Prize Day*".

Purpose :	**1. Celebrating excellence in diverse fields, which recognizes individuals for their outstanding contributions to humanity's progress.** **2. The day is observed on 10 December every year to commemorate the prestigious Nobel Prize and to commemorate the achievements of Alfred Bernhard Nobel, a Swedish engineer, chemist, inventor, businessman and philanthropist who established the Nobel Prizes in 1895.** **3. To give a tribute to the person who instituted the prize.**
No. of beneficiaries :	**55**
Class involved :	**B.Sc. III, M.Sc. I & II (Analytical Chemistry)**
Outcome/ success achieved :	**1. Celebration of Nobel Prize day give students a way to learn about the people, and achievements that are influencing society.** **2. It inspires the students to develop their personality by looking towards Nobel laureates and thus does great work of producing useful citizens for the country.**

Purpose	The primary purpose of workshop is to create a space in which a group of people can meet to discuss questions brainstorm ideas, identify problems, make discussion and develop solutions. Also aware students and researchers about different research areas. Workshops help students to develop a new skillset of their better future.
Objectives	1. The main objective of workshop is to motivate students to take part into research activity. 2. To develop skill about synthesis, characterization, analysis and applications of Nanomaterials. 3. To give knowledge of new field and also opportunities in the field of nanotechnology.

NAAC Awareness Programme - Activity Report

Name of Department: Chemistry | **Date of activity:** 14/12/02021

Name of the capability enhancement scheme : Skill development

Guest: **Prof. Dr. A. V. Mali,** *Dept. of Chemistry, Yashwantrao Chavan College of Science, Karad.*
Mr. A. N. Bhingare, *Dept. of Chemistry, Yashwantrao Chavan College of Science, Karad.*

Name of the topic: Celebration of *"National Energy Conservation Day".*

Purpose :	**1. The main purpose of this activity is to provide a way to students to communicate their research or understandings of a topic in a concise and visually engaging format.** **2. The aim with which the day is celebrated is to drive mass awareness about the importance of energy efficiency and conservation.** **3. The day also focuses on making people aware of global warming and climate change and promotes efforts towards saving energy resources.** **4. National Energy Conservation Day aims to generate awareness among the masses in India about the importance of saving energy.**
No. of beneficiaries :	83
Class involved :	B.Sc. III, M.Sc. I & II (Analytical Chemistry)
Outcome/ success achieved :	**1. Students aware for intended benefits of energy conservation.** **2. Students got some ideas how to conserve energy.** **3. Students aware for the importance of limited energy resources we have like petroleum oil, coal, natural gas etc.** **4. All beneficiaries of the programme understand that, we simply must balance our demand for energy with our rapidly shrinking resources. By acting now we can control our future instead of letting the future control us.**

Subject: Letter of Appreciation

Respected Sir,

We are very much thankful for attending poster and model presentation on the occasion of **"National Energy Conservation Day"** for our college students on Saturday 14th December 2024. Your interaction with our students will upgrade the knowledge. We except same cooperation in future.

Thanking You

Yours faithfully

Name of the Programme: National Energy Conservation Day

Date: 14/12/2021

Model No: 01

Name of the student: Vaishnavi Kadam, Anisha Veer, Ruturaj Patil, Vard Pawar, Somnath Jhadhav.

Class: B.Sc (III) Chem

Theme: National Energy Conservation Day

Brief Explanation: We had showed some applications of solar energy to conserve energy in diff. forms. We had created some models of house, car, feild, battery, solar system and electricity to make it more intresting

Subject: Appreciation Letter

Respected Sir,

We are very much thankful for delivering lecture on the topic **advanced materials and Nanotechnology** for B.Sc. and M.Sc. Students of our college on 18/12/2021 under lead College activity. I am sure that all the participants have taken note of your words into practice. I once again would like to thank you for such a wonderful speech and hope to get a chance to hear such speeches from you in future also.

Yours sincerely.

Received

Yours faithfully
