Any program arrange for botany student for their research work

Organize workshop on PBR and Bioprospecting

...

Everything was Good !! No suggestions.

Observed on July 28 annually, World Nature Conservation Day acknowledges that a healthy environment is the foundation for a stable and healthy society.

Arrange workshop/conference/webinar on preparation/training/implementation of PBR in rural&urban area.

Such Webinars should be arranged.

Everything was good !! No suggestions.

Keep it up

Overall is very very good.. Thank you 🙏

Please share PPT of all sessions, helpful for study also. Nature conservation is possible only when people will able to identify / to know about their Native species like trees, birds, fungi, algae, microbes, insects, herbs, shrubs, animals, etc. with their survival correlations among them also. thank you.

Very good vebinar
