#### **About College:**

The college was established as a co-educational institution by the late Honorable Shri Yashwantrao Chavan (or Y. B. Chavan as he was popularly known in national and international circles) in 1958. It was to cater to the science education needs of the predominantly rural and underprivileged community by eliminating its need to travel long distances that was beyond its means. Thus the vision, 'Be one with the downtrodden and the underprivileged.' And the mission is 'to provide the best of science education to the rural masses in a center of excellence equipped with all facilities required for the same. In this context, the campus is ideally located, away from the hustle and bustle of the town in the quiet of the rural hinterland and spread over an area of around 40 acres (161874.25 sq. m). It houses a heritage-style building that includes an ample number of large, spacious, and well-lit classrooms and well-equipped laboratories. It also includes a large playground with all amenities for a variety of outdoor sports, a botanical garden housing numerous medicinal and rare and exotic plants, staff quarters, and exclusive hostels for boys and girls equipped with a mess. College is a grant-in-aid institution, affiliated with Shivaji University, Kolhapur, under sections 2(f) and 12(B) of the UGC Act. Our college is accredited to the A+ level by NAAC in 2024 in the 4th cycle and is an ISO 9001:2015 certified college. College offers grantable courses in chemistry, physics, microbiology, geology, statistics, pollution, botany, zoology, mathematics, and electronics at the B.Sc. level. The college has the facility for postgraduate courses M.Sc. in Microbiology, Analytical Chemistry, Botany, Zoology, Computer Science, and Data Science. The college has recognized research laboratories for Ph.D. in microbiology, chemistry, botany and zoology. Three new non-grantable subjects/courses such as Biotechnology, Computer Science (optional), and Computer Science (entire) at the B.Sc. level. The college has also received several grants from funding agencies like UGC, CPCB, DST-SERB, etc. for major and minor research projects as well as for infrastructural facilities. The college is a regular recipient of the award of merit scholarships in urban areas as well as in the science stream by Shivaji University, Kolhapur.
